We all know that some collaborative cases explode. The advanced training workshop is designed to identify factors that contribute to those explosions and define and explore the tools that defuse them. There will be both large group and small group work. Topics include:

- WHAT HAPPENED TO THE BASICS?
- THE WARNING SIGNS: in Clients and in the Team
- TICKING CASES
- RESOLVING TENSIONS IN THE TEAM BEFORE IT’S TOO LATE
- UNRESPONSIVE AND UNREALISTIC CLIENTS
- EFFECTIVE INTEGRATION OF NEUTRALS
- OUT OF THE BOX SOLUTIONS

Continuing Education Credits: CLANH members will receive 4 credit hours, which will go toward fulfilling the biennial continuing education requirement for CLANH members.

Cost: Tuition for the one day training is $200. Early birds (registration received by March 31) get a $50 discount.

*Please note, this is an advanced training workshop which requires prior completion of basic interdisciplinary training.
