

SPONSORSHIP OPPORTUNITY

2019 NEW HAMPSHIRE COLLABORATIVE LAW ALLIANCE

INTERDISCIPLINARY COLLABORATIVE BASIC TRAINING

The NH Collaborative Law Alliance offers you a unique opportunity to connect in person with a variety of professionals who work in the field of divorce. Sponsoring the two-day, Basic Interdisciplinary Training that will be held on June 7th and 8th, 2019 is an excellent way to market your service or product and help advance the field of collaborative divorce.

Presented by our in-house trainers the two-day Basic Training participants will see how the collaborative team works from start to finish with lots of demonstrations and discussion.

Divorce represents a transitional stage of life, where the parties de-couple and must rearrange their financial lives, such as securing new insurances, retirement and investment strategies and plans, new housing, tax advice, etc. Professionals directly involved in the divorce process are an important long-term source of referrals for professionals providing services the parties will need as they establish their new lives.

As a sponsor you will gain an introduction to attendees including lawyers, financial professionals, and mental health professionals who currently use, or plan to use, the collaborative model of divorce resolution. Attendees are expected to be from New Hampshire, Maine, Massachusetts, and Vermont.
